CHINGFORD GREEN

15 MINS FREE PARKING SAVED

Let's get it extended to 30 minutes

North Chingford clearly isn't a priority for our Labour Council.

In 2016 they proposed scrapping the 15 minutes free parking in Station Road, threatening to make everybody shopping there pay to park.

Your Conservative Councillors, residents, shop-keepers and businesses all fought together to stop this. Over 6,000 people signed our petition - and Labour caved in.

Chingford isn't the same as Walthamstow or Leyton. Yet Labour Councillors think they

can impose the same policies here that have failed elsewhere.

Without a strong, Conservative opposition, these changes would just happen. You'd park your car and the first you would know would be the parking ticket on your windscreen.

Chingford is different and needs different solutions. That's why Conservative Councillors are fighting for the 30 minutes free parking, both on-street *and* in Council car parks.

**CONSERVATIVE COUNCILLORS
WILL ALWAYS
PUT CHINGFORD FIRST**

Your MP, Iain Duncan Smith, with local traders and shoppers celebrate our win over 15 minutes free parking. NOW WE WANT 30!

FIGHTING LABOUR'S NEW TAX ON DRIVING

The Labour Mayor of London wants to charge you £12.50 to drive across the A406. Our Labour Council wants to charge you to drive anywhere in our Borough.

Despite falling emissions over the last ten years, Labour politicians in London, including Waltham Forest's Labour Councillors, are behind plans to charge you £12.50 every day you drive your car.

This will hit older people who will be charged to drive to Whipps Cross, and people in low paid jobs who can't afford to change their vehicles. There's also no "residents' exemption" so all non-exempt vehicles will be charged.

London Conservatives oppose these plans. The cost of installing cameras is almost £1bn and the Mayor's office have confirmed this will actually make pollution worse near the North Circular Road through Chingford and Highams Park.

Conservatives would tackle pollution by changing the

bus fleet to zero-emission, installing more rapid charging points for electric vehicles and planting trees and building walls of moss along the worst affected routes.

TAX ON DRIVING**

OUR WORK AROUND CHINGFORD GREEN WARD

Protecting our Civic Buildings

Conservative Councillors were shocked at the rumours the Council want to sell off the Assembly Hall and Library for the development of flats. Over the years Labour Councillors have sold many civic buildings in Chingford and spent the money in Walthamstow and Leyton.

Conservative Councillors will fight to save our community facilities in Chingford

Getting Your Roads & Pavements Repaired

Your Conservative Councillors spend a lot of time working to get roads repaired and resurfaced. We have had some success, with Connaught Avenue and Kimberley Road recently resurfaced. But we have to fight all the time to stop all the money being spent in Walthamstow and Leyton.

Improving our Natural Environment

Just off Sewardstone Road, near Yardley Lane, the Hawkwood Nature Reserve is a hidden gem, right on the edge of Chingford. Your Conservative Councillors are proud to have awarded the reserve money over the last few years to protect and improve access and boost local flora and fauna.

Making Places in Chingford Green

With £40,000 pound on offer to improve part of our public realm, many of you mentioned the unused toilet block and alley next to the library. This has been a blot on our landscape for some time.

We pleased to say that this area is now going to be developed as a public space we will all want to use anytime of the year. As they say, "Watch this space"!

Conservative Councillors working hard for our High Street

Over the years, we have fought hard to make sure our Labour Council to get the planters in Station Road maintained and the flowers replaced as and when they are needed. We want to make sure people walking along Station Road can enjoy the experience, and having plants, rather than rubbish is part of that experience. We did it again last year and we hope you will enjoy them as they come in to bloom this spring.

WHY YOU SHOULD VOTE CONSERVATIVE

WE OPPOSE LABOUR'S NEW TAXES ON DRIVING

Labour want to charge you £12.50 to drive anywhere in Waltham Forest. We want to see pollution tackled with cleaner buses, more electric vehicle charging points, air-cleaning technology, more trees and fewer diesel vehicles.

WE WANT 30 MINUTES FREE PARKING FOR OUR TOWN CENTRES

We got you 15 Minutes Free Parking and saved it when Labour tried to take it away. Now we want to see it extended to 30 minutes, on-street and in Council car parks. This will boost trade in our local shops and support local businesses.

WE WILL REPAIR ALL OUR ROADS AND PAVEMENTS

Within two years we will re-surface or properly repair every road and pavement that needs it. We will not spend another penny on Mini-Holland projects until this is done.

WE WILL BUILD GENUINELY AFFORDABLE HOMES

We will hold developers to their promises and deliver homes to rent and buy at genuinely affordable prices and rents.

CONSERVATIVES OFFER COUNCIL TAX FREEZE

Waltham Forest Labour just put your Council Tax up by 5%

Conservative Councillors found savings in the budget which would have spared you 60% of this increase, without affecting front-line services. Labour Councillors voted it through anyway.

Our plans would have saved money by;

- ♦ housing more people in long-term rental homes rather than expensive bed and breakfast accommodation
- ♦ using the fees collected from Landlord Licensing, rather than hoarding this in reserves
- ♦ reducing publicity spending by £150,000
- ♦ reducing the spending on expensive consultants, and budgeting better so very large contingencies were not needed.

LABOUR REJECTED THESE SAVINGS

It's your money that Labour are wasting!

YOUR CHINGFORD GREEN CONSERVATIVE CANDIDATES

NICK HALEBI

Nick has served been one of your Chingford Green Councillors since 2014. He has lived in Chingford Green for over 22 years and Chingford Green is his home. He will fight against plans for inappropriate development and to get our Council to invest money into Chingford Green for upgrading of pavements and roads.

ANDY HEMSTED

Andy has lived in Chingford his whole life, and is proud to have served as a Chingford Green Councillor since 2007. He wants to see more progress in making North Chingford an even better place to live, work and shop and won't let our Council take away the Assembly Hall or our Library.

KAY ISA

Kay has lived in Waltham Forest for 40 years, and has always cared about her neighbourhood and her neighbours. She will work to make sure our roads are safe, campaign for 30 minutes free parking in Station Road and push to make sure adult social care is first class - making sure that the people in Chingford Green get the services they are entitled to.
