LARKSWOOD WARD

SUPPORTING CHINGFORD MOUNT

Conservative Councillors will fight every day for our town centre

Chingford Mount clearly isn't a priority for our Labour Council.

They tried to take away our 15 minutes free parking in 2016, but Conservative Councillors organised a petition which attracted over 6,000 signatures - **Labour dropped their plans**

We have worked hard with Love South Chingford to bring the French and Italian markets here and we helped organise the Night Feast market last year.

We are really pleased we also now have a

regular Saturday market at the Mount.

We want to boost local trade with a "shop local" loyalty card scheme to encourage more people to use their local shops and we want on-street parking to be free for 30 minutes. We will fight for this to be extended to the Hall Lane car park as well.

This will give a real boost to our shops, businesses and the markets.

**CONSERVATIVE COUNCILLORS
WILL ALWAYS
PUT CHINGFORD FIRST**

It may have been bitterly cold, but people came out and enjoyed the Night Feast market last year

FIGHTING LABOUR'S NEW TAX ON DRIVING

The Labour Mayor of London wants to charge you £12.50 to drive across the A406. Our Labour Council wants to charge you to drive anywhere in our Borough.

Despite falling emissions over the last ten years, Labour politicians in London, including Waltham Forest's Labour Councillors, are behind plans to charge you £12.50 every day you drive your car.

This will hit older people who will be charged to drive to Whipps Cross, and people in low paid jobs who can't afford to change their vehicles. There's also no "residents' exemption" so all non-exempt vehicles will be charged.

London Conservatives oppose these plans. The cost of installing cameras is almost £1bn and the Mayor's office have confirmed this will actually make pollution worse near the North Circular Road through Chingford and Highams Park.

Conservatives would tackle pollution by changing the

bus fleet to zero-emission, installing more rapid charging points for electric vehicles and planting trees and building walls of moss along the worst affected routes.

**REJECT LABOUR'S NEW
TAX ON DRIVING**

OUR WORK AROUND LARKSWOOD WARD

Supporting new residents and businesses

We have helped new residents with problems like building defects and heating costs, organising two meetings with L&Q.

We also helped Cuma in the café sort out his Business Rates. We're still appalled Labour Councillors have let L&Q off their promise to open the Sports Centre for so long.

Speaking out against inappropriate development

Labour want to build a six storey building in Lena Kennedy Close with 47 extra homes but little parking. This isn't right for this site and will make existing parking problems worse. Conservative Councillors supported family houses with gardens and parking, but Labour rejected this.

Protecting our heritage

The Ropers Field Conservation Area is a fine example of post-WW2 Council Housing. We got the windows replaced in the Council homes and have advised residents on what they can do to improve their homes. Conservative Councillors will always protect the character of our area.

Protecting Services for Older People in Chingford

When Labour threatened to evict Age UK and other charities from the South Chingford Hub,

Conservative Councillors stepped in. Over 1,500 people signed our petition and we think it is safe for the time being. But we can't be sure it is safe under Labour. Another reason to vote for a Strong Conservative Opposition

Improving Access to Ainslie and Larks woods

When Tesco was built in Highams Park, over £100,000 was set aside to improve the Ainslie and Larks woods. Conservatives are working with the Council officers and the Friends of Ainslie and Larks Woods to see this money spent to help open up access to less able-bodied people and to clear and clean up the woods.

CONSERVATIVE COUNCILLORS WORK FOR ALL OF YOU ALL OF THE TIME

WHY YOU SHOULD VOTE CONSERVATIVE

WE OPPOSE LABOUR'S NEW TAXES ON DRIVING

Labour want to charge you £12.50 to drive anywhere in Waltham Forest. We want to see pollution tackled with cleaner buses, more electric vehicle charging points, air-cleaning technology, more trees and fewer diesel vehicles.

WE SUPPORT 30 MINUTES FREE PARKING FOR OUR TOWN CENTRES

We got you 15 Minutes Free Parking and saved it when Labour tried to take it away. Now we want to see it extended to 30 minutes, on-street and in Council car parks. This will boost trade in our local shops and support local businesses.

WE WILL REPAIR ALL OUR ROADS AND PAVEMENTS

Within two years we will re-surface or properly repair every road and pavement that needs it. We will not spend another penny on Mini-Holland projects until this is done.

WE WILL BUILD GENUINELY AFFORDABLE HOMES

We will hold developers to their promises and deliver homes to rent and buy at genuinely affordable prices and rents.

CONSERVATIVES OFFER COUNCIL TAX FREEZE

Waltham Forest Labour just put your Council Tax up by 5%

Conservative Councillors found savings in the budget which would have spared you 60% of this increase, without affecting front-line services. Labour Councillors voted it through anyway.

Our plans would have saved money by;

- ♦ housing more people in long-term rental homes rather than expensive bed and breakfast accommodation
- ♦ using the fees collected from Landlord Licensing, rather than hoarding this in reserves
- ♦ reducing publicity spending by £150,000
- ♦ reducing the spending on expensive consultants, and budgeting better so very large contingencies were not needed.

LABOUR REJECTED THESE SAVINGS

It's your money that Labour are wasting!

YOUR LARKSWOOD CONSERVATIVE CANDIDATES

JOHN MOSS

@John_J_C_Moss

John has been your Councillor since 2012. He has led campaigns against taking away 15 Minutes Free Parking and the closure of the Social Services Hub in Hall Lane. He is a surveyor and regularly sits on the Planning Committee, where he has voted against developments with no affordable housing and inadequate parking.

CATHERINE SAUMAREZ

@CatSaumarez

Catherine is a cellist who played for more than ten years with Britain's leading Orchestras. She now teaches at a number of schools across London. She has helped secure funding for an organic garden and social space at a local Council estate and wants to help improve our green spaces, enhance music provision in the Borough and work to improve conditions for local businesses.

SELINA SEESUNKUR

@selinathinks

Selina has over 10 years' public sector experience managing services like parking, roads and markets. A former member of the Love South Chingford Group she wants to put South Chingford on the map with events like the Night Feast, which she brought to Chingford Mount. She is the inspiration for the "shop local" loyalty scheme we want to bring to Chingford.
