## EMMA BEST

Your GLA Candidate

I was born in Whips Cross and have lived in the North East of London all my life. It's the place that raised me through the good and the bad.

I've experienced the struggles of London first-hand; sofa surfing, knife crime and the rising cost of living that threatens to push us all further from the city we love. So I never wanted to get into politics because of something I read in a paper, textbook or some idea of grandeur. I've seen the grittier side of this city and want to be a part of making positive changes for the better.

I've been a councillor for 6 years now, fighting for the most vulnerable in society while also working in children and family services. I live in Chingford, raising two boys. I never want my children to have to see the things I've seen.

I feel hopeful they won't, seeing there's a candidate for Mayor of London like Shaun Bailey, who gets it. He has lived the struggle too, been a youth worker and understands what London needs.

It's a place that makes stories like mine possible; a city of hope, redemption and opportunity.

That's why I'm standing to be your GLA member. I'm tired of seeing the greatness of this city restricted in the North East of London.

It's time for change. Join me in making that change possible.

**Vote for Emma Best for North East AM and Shaun Bailey for Mayor of London this May 2021.**

## CHRISTMAS IN CHINGFORD

We hope you all had a fantastic Christmas and new year. It was a very different Christmas for many of us, but we still managed to show how much community spirit there is in Chingford!

We loved adding our homemade decorations to the North Chingford community Christmas tree, along with over 100 other residents who added decorations. We were also out volunteering with residents who even in the week before Christmas, were out in force for a community action day.

## RIDGEWAY PARK IMPROVEMENTS

Last year a petition led by Endlebury councillors, supported by 100s of local residents, was submitted to Waltham Forest council calling for improvements to the children's playground at Ridgeway Park.

Local councillors have continued to lobby the council since then and as a result, £140,000 was secured for Ridgeway Park Playground improvements.

A consultation was recently opened asking residents how best to spend

the money. That consultation has now closed and improvement works start in 2021. As soon as we have more details we will publicise them.
